

Home Recycling in Rappahannock County Earth Day is Every Day

Glass bottles and jars; aluminum, steel and tin cans; and plastics (#1-#7) now go into one container. This is called "single-stream" recycling. All items must be empty.

Newspapers, magazines, and office paper all go into one container. No strings or plastic bags.

Batteries -- all rechargeable, alkaline, and lead-acid batteries (please see Attendant when bringing these items).

Used oils and oil filters, anti-freeze, fluorescent bulbs, and electronics (please see Attendant when bringing these items).

Cardboard -- All types. Please flatten before placing in container.

Disposal fee charged on the following: Any Freon-containing device and all tires must be taken to Amissville facility only!

Amissville facility hours: Monday-Saturday 7:30am - 5:30pm
(Closed: Sunday) - (540) 937-3337

Flatwood facility hours: Monday, Wednesday & Friday 7:00am - 7:00pm,
Saturday, and Sunday 9:00am - 7:00 pm
(Closed: Tuesday and Thursday) - (540) 987-8985

Recycling is important to our county because it conserves natural resources and reduces pollution
